ADDRESS OF PRESIDENT DR. S.S.TAK TO 46th GENERAL BODY MEETING TO BE HELD ON 30th JULY 2023

Dear Members,

I welcome you, on behalf of Executive Committee and on my own behalf, to 46th General Body meeting. First of all, we will like to thank, the Alumni at large and members of Alumni Association in particular, for extending such an overwhelming support to us during last Four years. Whatever has been achieved in last Four years is because of Whole Hearted support. I hope we have lived up to the Expectations of the Alumni.

This being the last General Body meeting of my tenure as President of Alumni Association, I will like to thank you all once again from core of my heart for giving me an opportunity to serve our Alma Mater for Four Years in the capacity of President of Alumni Association. For me, it was Soul Enriching period.

Friends, Four years ago when a few Alumni approached me and requested my consent to be nominated as President of Association, they mainly had, completion of Girls Hostel Project on their agenda. I requested them to give me 24 hours to think about it. After careful thought, I came to the conclusion that Shri Ashok Gehlot being CM of State in his third term, this may be the most opportune time to get Autonomous Status for the MBM Engineering College. If we miss this opportunity, same may not be available in the near future. With this Goal in mind, I consented to their request.

I feel extremely satisfied that we could achieve Both Long Cherished Goals of Alumni Association

1. MBM as MBM University, Jodhpur and
2. A Wonderful Girls Hostel to accommodate 300 Girls, costing about Rs 7 Crores.

Important to note 1.5 years (out of 4 years tenure) was infected by COVID-19 lock down.

It gives me great satisfaction, that even during COVID-19, Our Association not only continued to achieve our own Objectives but also served the Society at large, by providing Masks, Sanitizers etc. to front line workers during the first phase of COVID-19 and Oxygen Concentrators during Second phase of COVID-19, costing around Rs 50 lakhs.

ALL THIS BECAME POSSIBLE ONLY BECAUSE, WE ALL WORKED AS A TEAM.

Dear Alumni, now we have MBM as MBM UNIVERSITY JODHPUR, SKY is the limit for achieving New Heights by MBM.

To help MBM University these new heights, Association has established Two New Endowment Funds

1. Research, Innovation and Start Up Endowment Fund
2. Academic Activities Support Endowment Fund

I am happy to share that Er Kamal Mirchandani 62 Electrical and Er Prabhakar Keshker 65 Electrical have contributed Rs 10 lakhs each to the Research, Innovation and Start Up Endowment Fund and 96 Silver Jubilee batch has contributed Rs 5 lakhs for Academic Activities Support Endowment Fund to give a kick start to these Endowment Funds. Our heartfelt Appreciation for their gracious contribution. I will Appeal all the Alumni to come forward and contribute Generously to these Endowment Funds to Support MBM University achieve new heights.

I will like to place on record my heartfelt Thanks and Appreciation for all office bearers for their unflinching support to me all along.

Before closing, feel like saying "अब एम.बी.एम. आपके हवाले साथियों"

Thank you all once again.

Prof. (Dr.) S. S. Tak
President
MBM Engineering College Alumni Association

MBM ENGG. COLLEGE ALUMNI ASSOCIATION JODHPUR

Honorary Secretary's Report for the year 2022-23

Dear Members,

It is my privilege to place before you the annual report of The Association for kind consideration.

1. During the said period association functioned through on AGM (45th AGM held on 31th July 2022) and well attended Executive committee meeting (held on 5th / 21-23 Dated 9th Dec. 2022, 6th / 21-23 held on 11th Dec. 2022, 7th / 21-23 held on 26th Feb. 2023 and 8th / 21-23 held on 7th may 2023 on hybrid mode).

2. The following important decisions were taken by the ECM and implemented.

(a) The most ambitious project of the Association handed over to the MBM University on 27th Sep. 2022 and gracious well attended felicitation function for key contributors was organised on 17th Oct. 2022. It was appreciated by BOM of MBM University. This letter is attached in this AGM News Letter.

(b) To achieve the objectivity of benefitting needy student, this year, the Adoption Scholarships to Continuing Students were awarded at the beginning of session itself after verification of their academic performance.

(c) It was decided to raise the minimum amount of scholarship to 10,000 to the needy students as far as possible, for this purpose the sponsors were requested of raise endowment fund at least to Rs 2.0 lacs, It is happy to inform that 10 sponsors have agreed the request. The remaining scholarships were regrouped to achieve this objective.

(d) A committee was constituted under the Chairmanship of Past Hon. Secretary Prof. Rajendra Karwa to rationalise the whole procedure and mechanism of award of scholarships. The committee did commendable work and its report has been approved in 6th ECM and implemented for award of this year's Scholarships.

(e) Sports and extracurricular activities are regular features of the university, this year we have started sponsoring help for sport event with the assistance of our members.

(f) During Dec. 2022, Diamond, Golden and Silver Jubilee functions were held with full fun and fair, with enormous participation. First Diamond Jubilee of 4 batches were held and it is pleasant to note that 12 Alumni of 1962 Batch participated with their spouses.

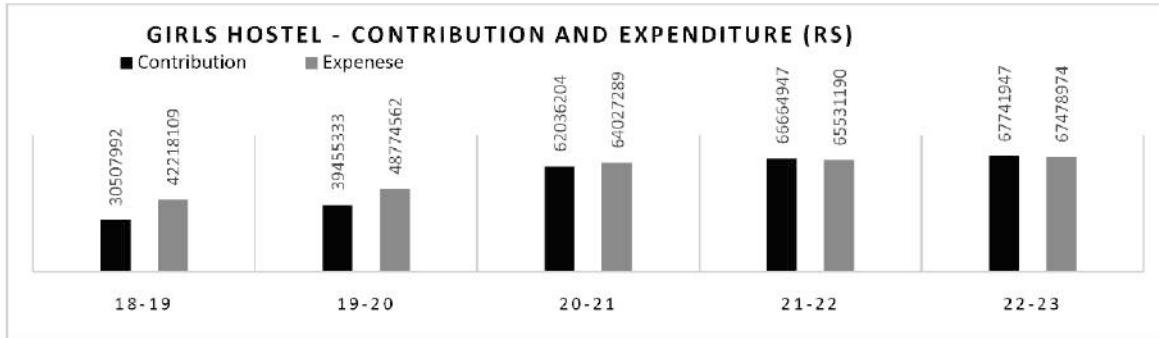

(g) Shri K. K. Mirchandani (1962 Electrical) has contributed Rs 10 lacs for newly created Research, Innovation, and start-up Endowment fund.

(h) The Library and Activity hall of Alumni Girls Hostel have been furnished and completed in March 2023.

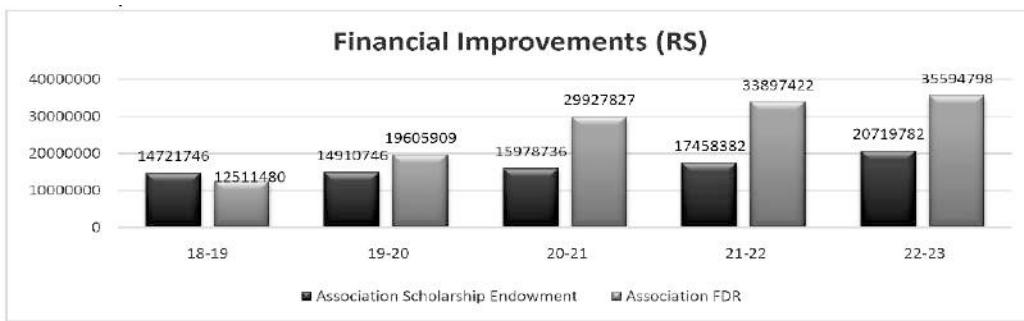

(i) On the initiation of Dr. K. K. Kapila (1968 Civil) it was decided to create separate head in our Accounts book for "Establishment of Chairs of Professors" In MBM University.

(j) As recommendation of Prof. Rajendra Karwa committee the process of disbursement of scholarship was accelerated for the session 2022-23. A total of 169 Scholarships have been awarded.

3. The Girls Hostel Project Account have been closed. The year wise Journey of Contribution received and expenditure incurred is depicted in the chart enclosed.

4. I am happy to bring to the notice of this august house that during the tenure of this executive, consistent improvements have been noticed in Capital Fund, Fixed Assets, Scholarship Endowment Funds and Association FDRs as Shown in the Chart Below.

5. Gold and Silver Medals for the year session 2019-20 and 2020-21 were awarded this year. Total 14 gold and 2 Silver medals have been awarded.

6. The green and clean campus drive launched by the Association has given very good results as ambience has improved a lot and roof top leakages have been checked.

7. Diminishing faculty positions in university have been embracing to the prestige of the this highly positioned institute. the matter has been taken-up with vice chancellor and Govt. several times and solution to problem is likely in near future.

8. Accreditation of institute is our long pending demand and international obligation, the matter has been taken-up with vice chancellor. Process has been initiated. and I am happy to inform that 3 courses have been accredited by the National Board of Accreditation (NBA).

9. Many of our members have done spectacular achievements in these sessions. This includes distinguished alumni have been choose to head the stared organizations of the Nation. Excellency award and achievement are numerous.

The Executive Committee for 2021-23 was elected unanimously. Thanks all those who have contributed for the alma matter in their unique and diverse ways that has kept our morale high and motivated all the alumni to strive for upholding the flag of MBM high and flying. We shall look forward and to receive the same cooperation in all the future endeavours of the Association.

With profound regards

Dr. R. K. Vishnoi
Hony. Secretary

MBM ENGINEERING COLLEGE ALUMNI ASSOCIATION V.G. GARDE MARG, RATANADA, JODHPUR

FORM NO. 10B

[See rule 17B]

AUDIT REPORT UNDER SECTION 12A(b) OF THE INCOME-TAX ACT, 1961, IN
THE CASE OF CHARITABLE OR RELIGIOUS TRUSTS OR INSTITUTIONS.

We have examined the Balance Sheet of **M.B.M. ENGINEERING COLLEGE ALUMNI ASSOCIATION, JODHPUR** as on 31st March 2023 and Income & Expenditure Account for the year ended on that date which are in agreement with the books of accounts maintained by said institution.

We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit. In our opinion proper books of accounts have been kept by the office of above named institutions, so far as appears from our examination of the books subject to the comments given below :

In our opinion and to the best of our information and according to information given to us, the said accounts give a true and fair view:

- (i) In the case of the Balance Sheet, of the state of affairs of the above named institution as on 31.03.2023, and
- (ii) In the case of Income & Expenditure Account, excess of Expenditure of its accounting year ending on 31.03.2023

Observation:

It has been observed from TIS/AIS that there are 3 bank accounts in the name of association which were opened for funds collection by batchmates of 1986, 1993 & 1994 for celebration of Silver Jubilee programme of their respective batches.

The Past President authorized the use of association's PAN card at the time of opening of account but as stated by the Hon'ble Secretary to us the association has no authority over operating of those accounts or withdrawal of funds and does not belong to the association.

Following are the details of bank accounts:

S.no.	Account Number	Account Name
1	05710124760	MBM Engg. College Batch Silver Jubilee 1994
2	05710124141	MBM Engg. College Batch Silver Jubilee 1993
3	05710115740	MBM Engg. College Batch Silver Jubilee 1986

The prescribed particulars are annexed hereto.

Pride of MBM Alumni

Er. Kamal Mirchandani

Er. Kamal was Born in 1942 at Hyderabad Sindh. Due to the partition of the country in 1947, the Mirchandani family was compelled to leave their ancestral home and travelled to Rajasthan. Starting with Hindi coaching lessons in the early childhood, he passed Parichaya exam of Rashtra Bhasha at Barmer in 1951, later passed High School with First Division at Kota under The University of Rajputana in 1956, then Intermediate Science from The Jaswant College Jodhpur in 1958 and finally secured B.E (Hons) Electrical Engineering with the pioneering batch in 1962 from M.B.M Engineering College, Jodhpur - The University of Rajasthan.

Armed with an Engineering degree, Er. Kamal embarked upon his professional career. Started at BICC in Calcutta designing Railway Electrification projects. A year later joined Crompton Greaves at Bombay where through Electrical Contracts Dept grew into Branch Manager and was promoted to the Asst. Divisional Manager's position.

During this period Er. Kamal also acquired a Diploma in Business Administration from K.C. College Bombay in 1972. Then after 13 years at Crompton Greaves, came a second uprooting in Er. Kamal's life. In 1976 he had to leave India for USA to seek medical and special training needs of his 4 years old son Aneel.

Once over he started the career from the drawing board level as a designer at Austin Company in Cleveland, Ohio. Soon took up the exams and got the Professional Engineer Registration (P.E) and moved over to San Francisco, California. There he became Chief Engineer in an Architectural Engineering firm, got actively involved I.E.E.E-USA, became Senior Member and the Chairman of Bay Area Council. During this career he designed several Scientific, Hi-Tech, Laboratories and Educational projects. Finally, Er. Kamal became a partner of ATI Engineering and Architectural firm and retired as Principal and Director of Engineering in 2010.

Er. Kamal, although an engineer by profession has devoted last 45 years preserving and promoting Sindhi Hindu culture in the San Francisco Bay Area. He has been teaching Sindhi language classes, writing Sindhi Language books, conducting religious festivals for the community, Sindhi Sufi devotional gatherings, coaching traditional Sindhi music and conducting Gita Path in Sindhi. For 25 years he has also been performing Vedic Hindu marriage ceremonies as an Acharya specially for the inter-community and inter-faith marriages, explaining Sanskrit sloka's in English to make the ceremony meaning full for the new generation. He also conducts traditional Sindhi pre-wedding rituals. He initiated the Isthapana of Jhoole Lal Murtis (Varun Dev) at the two Hindu Temples at Santa Clara and Fremont, California.

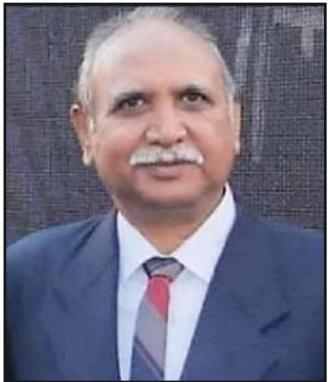

Er. Kamal loves music, photography, astronomy, study of Vedic scriptures, playing harmonium, teaching Sindhi songs and Sindhi Language, Yoga practice, travels extensively, writes short articles. His articles on "Mohen-Jo-Daro" have been very well received at the four International Sindhi Sammelans. At the last Sindhi Sammelan of 2022 held in Pune, his latest Book "Learn Sindhi-3" 'Romanized Sindhi-A Global Solution' was released and very well received by the International Sindhi community.

Er. Kamal is proud of M.B.M Engineering College. Thanks to the MBM Alumni Association as he could attend 40th, 50th and 60th Anniversary Celebrations already....and now he is looking forward to the 65th Anniversary Celebration.

His contact details - email: 2kamal.mirchandani@gmail.com, Phone: USA 510-648-0606.

Er. Kamal has contributed **INR 10 Lac** to association Research Innovation & Startup Endowment funds.

Pride of MBM Alumni

Er. PRAMOD TAK

MD, JDVVNL, JODHPUR

Born on 05th of November, 1961, at Jodhpur. Er. Pramod did his primary education at Jalor District. He secured First Division in state Secondary Exam (10th) at Jalor in 1977 and completed Sr. Secondary in 1978. Later, he acquired B. Tech degree in Electrical Engineering from MBM Engineering College, Jodhpur in 1984. He earned Masters in Control System Engineering (M. Tech.) from MBM Engineering College, Jodhpur.

With his enthusiasm to serve in Power Sector, Er. Pramod started his professional career in 1985 and joined the Rajasthan State Electricity Board as Junior Engineer. In the year 1994, Er. Pramod got promoted as Assistant Engineer and worked in various Department of Protection, Transmission, Urban Improvement Trust-Jodhpur, Rajasthan Housing Board, Turnkey Works, etc.

In Year 2000, during the unbundling of Rajasthan State Electricity Board into

5 Power Sector companies, Er. Pramod chose to work in his native area and became part of Jodhpur Vidyut Vitran Nigam Limited(JDVVNL). In September 2009, Er. Pramod was promoted as Executive Engineer, worked in TW wing Commercial and open access, MMC wing of JDVVNL. He went on to Rajasthan Housing Board & Jodhpur Development Authority on deputation and gained rich insight in urban infrastructures.

In May 2016, he was promoted as Superintending Engineer. He served in Purchase & store management wing, Central Sponsored Scheme wing of Jodhpur Discom for electrification of rural unelectrified household areas of Jodhpur Discom' IPDS Town and served Discom as SE(O&M), Hanumangarh.

Er. Pramod became Addl.Chief Engineer in Sept-2020 and lead various Government prestigious flagship schemes such as "IPDS" scheme for enhancement and up gradation of urban infrastructures including SCADA automation of 33/11 KV s/s. Implementation of RAPDRP, Smart Meter under IPDS phase II and successfully completed these projects.

He retired from JDVVNL as Chief Engineer. During his service tenure in RSEB and JdVVNL, Er. Pramod developed specializations in Administration, Implementation of sub transmission and distribution Network, Consumer services, Material Management, Turnkey projects, Centrally Sponsored scheme (DDUGJY, IPDS n RDSS), contract management, RE matters, Solar and Wind Generation.

Based on his Excellent Service records, Tech knowhow, performance, and Administration qualities, he was appointed as Director (Technical), JDVVNL in November-2021 and worked in this capacity till Feb2022. His expertise in Power Sector of Rajasthan gave him special advantage. He was appointed as Managing Director of JDVVNL in Feb-2022 and is continuing. Presently JDVVNL is covering 10 Districts of Rajasthan i.e., 53 % in terms of geographical area of Rajasthan State. As Managing Director, Er. Pramod is driving the turnaround of the Jodhpur Discom with Key focus on improving consumer satisfaction and improving quality of supply and services through technological and social interventions and implementing new age technologies like Smart Grid and Smart Meters, ERP System SCADA, etc. Transforming Discom into a new-aged sustainable, technology oriented and customer centric power utility company by promoting implantation of AI//BI based tools and Digital technologies.

His contact details: - Permanent Address: Vijay Chowk, Jodhpur, Contact: +91-9414129771 (M), E-mail erpramodtak@gmail.com

Pride of MBM Alumni

Er. Pushpendra Singh Chauhan

Special Director General,
CPWD (Retd)

Shri P S Chauhan was born in Village-Gura Mataji, District-Pali in 1962. He completed his graduation in Civil Engineering with honours from MBM Engineering College Jodhpur in 1984. He was selected through UPSC Engineering Services Exam in first attempt in 1985 and joined CPWD as Assistant Executive Engineer (Civil) in Sept, 1987.

As Assistant Executive Engineer he was posted in Consultancy Wing of Central Design Organisation of CPWD from March 1988 to July 1989. He was posted to Jaipur from 1989 to Oct 1990 and handled construction work of office building for Salt Commission, Jaipur, maintenance of Civil Airport and other Central Govt. residential and office buildings. He was then posted to Border Fencing works on Punjab and Rajasthan Border in Oct. 1990 and successfully got completed 18 km the Border Fencing works in Punjab and Rajasthan during the time of extreme terrorism and challenges.

Promoted as Executive Engineer in Dec 1991, he worked in West Bengal for Border Road and Fencing works on Indo Bangladesh Border and again for border fencing works in Barmer/Jaisalmer. He also economized the design of Border Fencing suitable for fencing in loose sand dunes, which resulted in cost savings by about 40%.

He worked in Jodhpur as Executive Engineer from March 1998 to May 2003. During his tenure he handled works of various non-residential, institutional, residential buildings for Income Tax, Central Excise, BSF, CRPF, CBI, Indian Institute Handloom Technology, Central Administrative Tribunal (CAT), Central Schools, Tourism works of Jain Temples at Ranakpur and Mount Abu, ICAR, Arid Forest Research Institute, Zoological Survey of India, Survey of India and other departments. He also completed LLB degree during this tenure from JNVU Jodhpur in 2001.

He was promoted as Superintending Engineer in 2003 and worked on Delhi College of Engineering Project. He worked as Project Manager, Flyover Project from April, 2007 to March, 2011, where he got completed 7 large infrastructure projects costing about Rs 1000 crore, which include Grade Separator at Mukarba Chowk, Azadpur, Mangolpuri, Nangloi, Underpass at Bhera Enclave, Flyover & ROB on Road No 56 near Anand Vihar, Rail Under Bridge at Shalimar Bagh. Multi Facility Grade Separator at Mukerba Chowk on NH-1 Outer Ring Road Intersection, which is completely signal free, has won Best Project award in CPWD in 2010, by Construction Industry Development Council in 2012. His research paper on this project also awarded Gold Medal for best construction project by Indian Road Congress in year 2012.

He joined Delhi Metro Rail Corporation in March, 2011 as Chief Engineer on deputation and remained there till June 2015. He also got completed Fully Automated Underground Parking at Delhi High Court, supervised Mandi House- Kashmere Gate fully underground corridor with 5 stations, ILBS Hospital for Delhi Govt at Vasant Kunj and Staff Quarters for DMRC. He also drafted comprehensive amendment to two metro acts namely The Metro (Construction of Works) Act, 1978 and The Metro (Operations & Maintenance) Act, 2002. He joined as Chief Project Manager/IIT Jodhpur Project in CPWD in July, 2015 and completed permanent Campus of IIT Jodhpur. He was also looking after works at IIM Udaipur and expansion of AIIMS, Jodhpur.

He got certificate of merit in year 2017 from CPWD. He was awarded as best Chief Engineer in CPWD and received the Director General Medal award from Hon'ble Vice President of India in year 2018. He was promoted as Additional Director General in December, 2019 and worked as ADG, HR. He was promoted to the post of Special Director General on 01.11.2021. He was also assigned the prestigious works of Development/Redevelopment of Central Vista which includes New Parliament Building, Common Central Secretariat, Central Vista Avenue, New Delhi.

He was awarded 'Eminent Engineer' award by Institution of Engineers India on 15.09.2021. He was also awarded "Senior Fellow" by India Green Building Council (IGBC) and Confederation of Indian Industries (CII) for outstanding achievements on 11.11.2022.

He superannuated from service on 31.03.2022 and was reappointed as Special DG on the same post. He worked as ADG, SDG in CPWD in-charge of Central Vista Redevelopment Project since 02.12.2020.

New Parliament Building most important project was started in January 2021 and completed within a short span of 29 months and inaugurated by Hon'ble Prime Minister on 28th May, 2023.

Pride of MBM Alumni

Prof. Manoj Choudhary

Vice-Chancellor, Gati Shakti Vishwavidyalaya, Vadodara

Prof. Manoj Choudhary is currently working as the First/Founding Vice-Chancellor of the Gati Shakti Vishwavidyalaya (University), Vadodara. Gati Shakti Vishwavidyalaya (GSV) is a Central University, sponsored by the Ministry of Railways (Govt. of India), and is focused on the entire transportation sector and logistics. Prof. Manoj Choudhary is currently on lien from IIT Jodhpur, where he is a Professor of Electrical Engineering. He also served as the Dean (International Relations, Alumni Relations, and Corporate Relations) at IIT Jodhpur. He received his Ph.D. from IIT Kanpur and his B.E in Electronics & Communication Engineering from MBM Engineering College Jodhpur in 1989.

Prior to joining Academia, Prof. Manoj has had a very vast experience in the Technology Industry as a top technologist and business leader, having worked with top electronics, semiconductor and telecom companies like Samsung Electronics and Texas Instruments. He was the Senior Director and Head of the System LSI R&D (Semiconductor Chip Business) at Samsung

R&D Centre at Bangalore. In this role for 5 years, he led the business unit and grew the team 5 times to approximately 1,200 R&D Engineers working in the SOC (System on Chip) design & development along with software for various market segments including Wireless Modem (5G/4G), Connectivity, Automotive, Camera image sensors and Power management ICs. He was member of team to develop world's 1st 5G chip and world's first 108 Megapixel camera for mobile phone.

During 2014 ~ 2016, within Samsung, he was the Director of Digital Media & Communication (DMC R&D) leading 5G Communication and IoT (Internet of Things) R&D along with new standards development. During 2010 ~ 2014, he led SAIT (Samsung Advanced Institute of Technology) India, which is Samsung's corporate technology research lab. Between 2002 ~ 2006, he set up the next generation wireless research group and Intellectual Property Group at Samsung. His research led to standardization of emerging wireless technologies such as Ultrawide Band and 3G-WLAN interworking in IEEE and 3GPP. He has been one of the authors of Ultrawide Band MAC specification at the WiMedia Alliance and served as world-wide co-chair of its Technical Steering Committee. During 2006 ~ 2010, he worked with Texas Instruments (India) as Development Unit Manager of wireless modem software development for mobile handsets.

Very well recognized nationally and internationally, Prof. Manoj is credited with building a strong research team for wireless standards and intellectual property mission at Samsung way back in 2002. He has been co-authored of 6 IEEE/ECMA standards. He has won many awards such as "University Gold Medal," "Young Achiever Award," "Patent of the Year Award" to name a few.

Dr. Manoj has delivered numerous papers, talks and tutorials in National/International conferences and industry forums (FICCI, IESA, NASSCOM etc). He has 30+ granted patents in US, Korea, European Union and India. Dr. Manoj is co-author of the book "Ultra Wideband Demystified: Technologies, Applications, and System Design Considerations" published by River Publishers, Denmark.

Towards contributions to national missions, he is an invited member of 6G Task Force, (Department of Telecom, Govt of India) and a member of the Management Council (as well as Finance Committee Chairman) of the Semiconductor Laboratory SCL (Ministry of Electronics & IT). He is also chair/member of several technical evaluation committees for various ministries. He is also an Independent Director on the board of Jodhpur Discom.

Prof Manoj Choudhary is patron member of alumni association.

Pride of MBM Alumni

Er. Anand Sharma

Er Anand Sharma is a Mining Engineer from MBM University Jodhpur in 1993. He started his career with Explosive Industry and has delivered technical services to almost all type of industries specially related to mining and infra projects, he has worked in various position like Dy Manager in Bharat explosive Ltd Delhi, Sr Manager in Rajasthan Explosive and Chemicals Ltd, Dholpur, and General Manager in Special Blast Ltd, Nagpur. After resigning from the explosive industry, he started taking turnkey blasting contract from NHAI contractor, Metro Project, Rock cutting work for project foundation, etc. Er Anand Sharma is now official consultant for Bangalore Metro on behalf of Afcons Infrastructure Ltd and successfully looking after blasting work in the heart of Bangalore city.

Er Anand Sharma came into lime light of media when he demolished a high-rise structure of more than 100 m height at Panipat, Since then he has demolished more than 30 civil structures in various part of the country with major one's being 18 Floor building at Kochi , 110 M pre heater for ACC at Chandrapur, Cooling towers and Chimneys at Panipat and Gandhi nagar, bridge over busy National highway at Pune, and recently a world record 256 m height giant chimney at Angul Orissa, all these project work were one of its kind and were demolished first time in India without any international support.

Er Anand Sharma is on a mission of Make In India in the field of Impllosion and has successfully provided a very safe, secure, and economic way of demolition of high-rise civil structures. He is a well-known personality in the field of explosive, demolition, and controlled blasting, presently heading own firm Exique Pvt Ltd.

INVITATION

To 1963 batch for Celebration of Diamond Jubilee

To 1973 Batch for Celebration of Golden Jubilee

To 1983 Batch for Celebration of Rubi Jubilee

To 1998 Batch for Celebration of Silver Jubilee

Dear MBM Alumni,

We request to all the alumni of these batches to participate in large number in their respective celebration. This would be a unique opportunity to meet your old friends. The Diamond Jubilee of 1963 Batch & Golden Jubilee 1973 Batch has been tentatively scheduled in December 2023. Silver Jubilee of 1998 is scheduled on 22 to 23 December 2023.

Pride of MBM Alumni

Er. Bharat Sharma

Mt. Everest Climber

Er. Bharat Sharma completed schooling from Sardarshahar (Churu). He completed B.E. in Civil Engineering from MBM Engineering College, Jodhpur in year 2005. Currently, He is working as Contracts Manager in a construction company at Saudi Arabia, and before that his assignment was with an Oil & Gas major in India. From childhood he used to be a sport enthusiastic but limited to Cricket only. But much of these physical fitness activities were left once he started working in corporate world. Probably he was not in a good shape to start anything serious in the domain of sports, rather say adventure sports.

Acceleration: I am not sure how and what happened but it was a kind of magic from post-Diwali 2014. Running slowly became his hobby but he was more inclined to running or hiking in the forests, basically stayed close to the nature whenever he got a chance. He started from few KM running to Half Marathon to Full Marathon to the Ultras in short span of 2 years. During this, he was fascinated by quite a few great climbers. He started to read about them on the web or books. One of his Hero (an IIT/ IIM passed out) Malli Mastan Babu (He is professional climber) was his inspiration for doing something special.

Then he focused to mount climbing; attended a 10 days Rock-Climbing course from SVIM, Mount Abu in Apr-2015. He was oldest among the course mates; probably older than the instructors. In fact, in the third year of engineering as part of annual topography survey program organized by the MBM, we surveyed this same point (SVIM). So same thing happened in this field as well like running; He got excellent climbing trainings one after another including prestigious 28 days of Basic Mountaineering Course in Sept-2016 from reputed NIM, Uttarkashi. If one reaches up to there certainly one will have many friends from climbing or adventure sports fraternity; get access to climbing literature and mountains especially Himalayas, not only that one gets a chance to meet professional climbing instructors who are either serving in Indian Army at Siachen or already an Everester and much more. He also got the chance to meet the greatest mountaineers of our time Captain MS Kohli and Shri Magan Bissa.

Lakshay: Great things are done when men and mountains meet. He believe it is true. He stood at top of the world on a chilly, windy morning of 22-May-2019 with Indian tricolor and posters having his inspirations, alma maters. Last but not the least, it happened, more because of huge supports from family, friends, mentors, and many others who wholeheartedly sojourned with him to the TOP and wished to see him there.!!

Sr. No.	Event	Venue	Year
Mountaineering:			
1	Mount Everest - 8848m	Nepal	2018
2	Mount Manaslu - 8163m	Nepal	2018
3	Mount Uhuru - 5895m	Kilimanjaro, Tanzania	2016
3	Basic Mountaineering (BMC)	NIM, Uttarkashi	2016
4	Basic Rock Climbing	SVIM, Mount Abu	2015
Running:			
1	The Border - 160 Km	Jaisalmer to Longewala	2018
2	Sher-E-Punjab - 200 Km	Amritsar to Chandigarh	2018
3	The High 5' - 211 Km	Manali to Leh	2018
4	Run the Rann - 161 Km - Trail	Dholavira (Kutchh)	2018
5	Sardar Patel Ring Road - 76 Km	Ahmedabad	2017

GIRLS HOSTEL AT A GLANCE

A	Paid by Association	Value in Rupees
1	Construction of Building (Civil works Incl. Misc. Works)	64042222
2	Steel Almirah 148 Nos. (Each Suitable for two Students)	1921040
3	Sitting Arrangement for 51 Students (Tables and Chairs) At V. G. Garde Library Hall	555160
4	Installation of S.S. Appliances in Kitchen and Dining Hall	285690
5	Installation of Gym Equipment's and Table Tennis at H G Infra Activity Hall	268924
6	Installation of 166 Nos. Ceiling Fans in Rooms, Dining Hall, library Hall etc.	166498
7	Water Storage Heaters (13 Nos.) at Toilets and Washing Area of Dining Hall	104920
8	Incinerators at all the 12 Toilet Blocks for disposal of used Sanitary Napkins	63720
Sub Total "A"		67408174

B	Contribution in Kind or work carried by contributors (Values in Rupees indicated by contributors)
1	Shed Over Central Open Area
2	Front Elevation Work at Hostel Building
3	Pavement near & Around the Hostel Building
4	Water Coolers , Fans, Tubelights, Pumps, etc.
Sub Total "B"	
Grant Total A+B	

Total Cost of the girls hostel is Rs 696.39 lakhs

Note:- Details of All contribution for Girls Hostel - both in Cash and Kind are given in the soft copy enclosed herewith and available on Association Web-Site

"Every possible effort has been made to give up to date information. However, if there are any omissions then our apologies in advance. Kindly send us necessary details for reconciliations and corrections at our office. Details contribution list of Girls Hostel Donor is available at our website www.mbalumni.org This is updated till 23rd June, 2023.

Felicitations Program of Contributors to Girls Hostel

Hony. Secretary
M.B.M. Engineering College Alumni Association
Alumni Building, Opp. Senapati Bhawan
V.G. Garde Marg, Jodhpur – 342 011.

Subject: Intimation of decision of BOM on taking over girls hostel.
Reference: Your Letter No. MBMECAA/2021-23/687 Dated 07.02.2023.

Sir,

In reference to above, the relevant agenda and its resolution of the First Board of Management Meeting dated 13.12.2022 is as under:-

ITEM No.MBMU/ 2022/BoM-1/2

To consider and approve handing over of newly constructed “Shree Cement Girls Hostel Building by MBM Engineering College Association to the MBM University”.

Resolution:

The item was considered and approved handing over of newly constructed “Shree Cement Girls Hostel Building by the MBM Engineering College Alumni Association”. The Board of Management appreciated the contribution of MBM Engineering College Alumni Association for their support extended to MBM University and unanimously express their gratitude to all the members of MBM Engineering College Alumni Association.

This is for your information and records.

REGISTRAR

Membership Types

All Engineers/ students who have completed B.E., M.E., Ph.D., M.C.A., PGDCA or B. Arch /Teachers of MBM Engineering College can apply for membership of the association. Following types of memberships are offered by the association as per the constitution.

LIFE MEMBERSHIP

Membership Fee: INR 5000 (Resident Indian) & USD 200 (NRI)
Membership Validity: Lifetime

PATRON MEMBERSHIP

Membership Fee: Rs. 31000(Resident Indian) & USD 1000 (NRI)
Membership Validity: Lifetime

FELLOW MEMBERSHIP

Membership Fee: Rs. 11000(Resident Indian) & USD 500 (NRI)
Membership Validity: Lifetime

ORDINARY MEMBERSHIP

Membership Fee: Rs. 500
Membership Validity: 5 Years

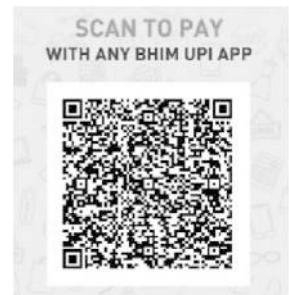

Procedure for registration

- Open web portal mbmalumni.org and Click **REGISTER (At top right)**. Fill all requisite fields in the form and **click the link Register**.
- After successful registration, **PROFILE DATA ENTRY FORM** will open automatically. Fill this form and then click the link Save Profile Data. (This form can be opened and updated any time afterwards also, after due login, through the link **EXPLORE→Members→Member Profile**).
- Deposit your **Membership Fee to bank account** (details given below) Write in comment '{Type} Membership Fee for {Your Name}'.
- Enter **details of membership fee** transfer in the **CONTRIBUTION ENTRY FORM**, which can be opened through the link **EXPLORE→Members→Contribution Entry**.
- On successful verification of contribution in association's bank account and approval of President, Hon. Secretary, your contribution will be verified on web portal.
- New members can **download receipt** from the web portal, through the link **EXPLORE→Accounts→Contribution**.
