

MBM Alumni E-Magazine

January 2024

Dear MBM Alumni

Wishing you a joyous New Year filled with success and prosperity! We are excited to announce the inaugural issue of our Alumni Newsletter, a platform to reconnect, celebrate achievements, and share memories. Stay tuned for updates, Positive stories, and a vibrant reflection of our collective journey. Here is a wish that 2024 be year of continued growth and unity.

This is praying for heathier and happier world which is devoid of animosities. May God bless us all in our positive endeavours.

Best regards

Editorial

Dear Alumni,

New Year Greetings. Here is the inaugural issue of the quarterly MBM Alumni E-Magazine. We are thrilled to share news about our activities and events designed exclusively for our alumni. Events in Jodhpur and other Indian cities and world over include get-togethers aimed at fostering connections, igniting conversations, and reminiscing cherished memories. As we strive to strengthen our alumni network, we need to encourage you to share your success stories, professional accomplishments, or any other news you would like to feature in the newsletter. Your achievements are a testament to the quality of education.

75th year of MBM college establishment and the **50th year of Alumni Association formation** are approaching. We must plan through International seminars, quarterly e-magazines, instituting visiting Professorships, fellowships, virtual internships for students, etc. We may organise expert talks and workshops for students.

With the formation of MBM University the Association has to plan its future directions, make necessary changes in the constitution of our association, organise online elections, form chapters of our association, aim to involve the maximum number of Alumni in our activities,. We would carry out a google survey or survey monkey seeking suggestions how to achieve our objectives. All are requested to please provide your advice and views.

We always welcome you back to your alma mater. Reconnect with old friends and professors, and relive the campus experience that shaped your journey. Expand your professional circle by participating in our networking mixers. Connect with fellow alumni who share your passions and goals, and explore potential collaborations. Give back to your community through various service projects. Join hands with fellow alumni to make a positive impact on society and embody the values instilled by our institution.

Alumni Achievement Awards: It is proposed to institute awards in the name of esteemed Professors/Alumni to honour our Alumni/ students accomplishment. Nominate exceptional alumni who have made significant contributions to their fields. Celebrate their accomplishments and be inspired by their stories of success. We need to develop a mechanism for selecting persons to be awarded and also request you to contribute funds for the awards, arrangements, travel, and functions.

Visit our Website. Your continued support and active participation drive the success of our Alumni association. Let's come together to make this year's activities even more remarkable. We look forward to reconnecting and creating unforgettable memories with you.

Prof. Sushil Bhandari

President
MBM Engineering College Alumni Association
Jodhpur (Raj.)

MBM 1980 Batch Ruby Jubilee (Delayed) was held on 20-21 November 2023 in campus of MBM Engineering College Jodhpur. Total 63 Alumni attended the event along with spouses. The get-together has left everlasting memories.

Foundation Day Celebration

The 73rd Foundation Day was celebrated at MBM University central lawn with great joy and enthusiasm on 14th August 2023. Prof. Ajay Sharma, Vice Chancellor, MBM University called on all to cooperate and advised students to join activities. Alumni, Professors and 150 students joined the Celebrations. Many students were provided certificates to the winner of the quiz contest organized by MBM University.

Blood Donation Camp

Engineer's Day was celebrated with great enthusiasm at the MBM Alumni Association premises on 15-09-2023 under the joint aegis of MBM Alumni Association, Rajasthan State Engineers Service Association and Lions Club Shraddha Jodhpur. The blood donation camp was inaugurated by Prof. S.S. Tak, Er. Jai Singh Choudhary, Hon. Secretary, Er. Neeraj Mathur, Chief Engineer PHED Jodhpur. Engineers from PHED, PWD, WRD, NRHM and CPWD, Professors and students of MBM University were present in large numbers and participated in blood donation. A total of 69 units of blood (incl. 6 Female) was donated in this camp.

MBM 1998 Batch Silver Jubilee

The Silver Jubilee celebration was attended by 168 batchmates with families from 23-24 December 2023. It epitomized a lifelong reunion. Participants rekindled old friendships and forged new connections, cherishing memories and creating lasting bonds. During the wholesome college visit, the corridors echoed with laughter as alumni recreated pictures from yesteryears.

The event was graced by the presence of esteemed faculty members and the members of the alumni association, adding a touch of nostalgia and wisdom to the vibrant celebration of camaraderie and reminiscence.

Petroleum Department in MBMU

The new building of the Petroleum Department will be of international standard. The Govt. has sanctioned 20 Crore Rs. and RUDSICO has been given responsibility for construction.

5G Lab in MBMU

Prime Minister Narendra Modi announced the establishment of 100 5G labs across India that will serve as testing and breeding grounds for local innovators, students, and startups to develop a new range of applications in various sectors. One such 5G lab has been proposed in MBMU Jodhpur. Ashwini Vaishnav, union minister of communications and IT, outlined the plan for the 100 5G labs initiative. He said that in these labs, students, professors, and MSMEs will have the opportunity to use different types of 5G technology in sectors like health, agriculture, and manufacturing to create innovative products and startups. Each lab will consist of a minimum of 10 professors, 50 students, and 10 MSMEs.

AWARD of 5G LAB to

MBM UNIVERSITY
FOR NATION BUILDING

- ① To build competencies and engagement in 5G and beyond technologies in students and the academic fraternity.
- ② To encourage academia-industry engagement to ideate and develop Indian specific 5G use cases for rural and remote areas
- ③ To make Indian academia & startup ecosystem 5G ready

Scholarship NEWS

New Scholarships

We feel extremely happy to inform that the association has added new scholarships. For this, we whole heartedly thank the donors.

- (a) Krishna Murthy Permanent Scholarship Sponsored by Prof. (Dr.) Ramesh Joshi Civil 1955 Batch.
- (b) Prof. H.C. Dhariwal Memorial Adoption Scholarship Sponsored by Sh. Rishi Dhariwal.
- (c) Late Shri Moolchand Bhatia Memorial Adoption Scholarship Sponsored by Er. Om Prakash Bhatia 1973 Civil Batch.
- (d) Jas Kaur Sardar Mathur, Man Kaur Ganesh Mathur, Mohan Kaur Kishori Mathur, Leela Anand Mathur Adhoc Scholarship Sponsored by Er. Shyam Lal Mathur.

APPEAL

Alumni are requested to come forward and support generously for scholarship fund. The association has distributed INR 16 lacs to 169 Students in year 2022.

MBM Engineering College Alumni Association Jodhpur Grants Scholarships to needy deserving Students of MBM. The Association is awarding 3 types of scholarships-

1. Permanent Scholarship: It is given from the interest earned from the one time endowment fund in the name and with the criteria as "as decided by the donor".

2. Adhoc Scholarship: Donor gives scholarship amount one time awarded as decided by the donor.

3. Adoption Scholarship : Once student selected shall get continuous scholarship for all higher classes also. Donor gives scholarship amount upto final year. Notice for scholarship for current year is out now. This year we target even higher. Hence We personally request all of you to donate generously to Associations scholarship fund.

Further there are **Research & Innovation Fund** and **Academic fund**. Please contribute to these funds.

Dr. Sushil Bhandari
President

MBM Engg. College Alumni Association

Campus Placement

The Training and Placement cell aims to bridge the gap between aspiring students and employment opportunities available at national and international levels by enhancing their technical and professional soft skills and by developing links with national and international business organisations. These efforts have yielded in some improvement in the campus placement statistics which can be seen from the table -

Session	Placements	No. of companies	Highest Package	Median Package
2019-20	174	36	18.00 LPA	4.20 LPA
2020-21	196	45	10.50 LPA	5.05 LPA
2021-22	249	48	15.00 LPA	6.00 LPA
2022-23	347	65	16.50 LPA	6.50 LPA

Personality Grooming and Soft Skill Workshop, 2024

For the 2023-23 session, the following companies visited MBM for the campus placement: Vedanta, UltraTech, TCS, Spanidea, Sigma Info solutions, Secure meters, Saint Gobain, ReVal Consulting, Planet Spark, PIE Infocomm, Patel Engineering, NBC, Nav Fund, Musikaar, Mini Orange, Larsen & Toubro, Kirloskar Technologies, Kantar, Kanerika Technologies, JSW, Johari Digital, JK Cement, Huber Group, Honda Motorcycle & Scooter, Honda Cars India, HLS ASIA, Herald Logic, Havells, Genus Power, Forcepoint, Denso, DCM Shriram, Cyttarak, Cvent, Chambal Fertiliser, Celebal Technologies, Cairn, Borosil, Billdesk, Bharti Airtel, BEL, Basant, Athenahealth, AppPerfect, Amantya Technologies, Alstom, Alpha Numero, Alps Digital, Alepo Technology Pvt., and Adani Group.

The TPO cell has also organised two workshops of one-month duration each on Personality Grooming and Communication Skill Development covering 180 final year students. The expenditure of these workshops are borne by our Delhi Alumni Chapter. The Cell will continue such workshops in future as the Delhi MBM Alumni Chapter has consented for continuous financial support. For This, The cell is thankful to our esteemed Alumni, **Er. Kiran Kumar Kapila** and **Er. B.L. Mohatta**.
